Adventures in Romance and Dating with Rick Adam

An original odyssey in song, story, and clowning directed by Bob Colonna and Rick Adam. Performance artist Rick Adam has a great love story for us grownups, in song, mime, narration, shadow mime, and who knows?! We've all done crazy things for love, but how many of us would fly half way around the world on a blind date? Rick did, and it's only one of the chronicles of love, heartbreak, healing and rapture that make up this one-of-a-kind evening titled "A Bozo in Love". Bring your sweetheart, hold hands, and warm up to this hysterical and bittersweet tale.

Rick Adam is a contemporary singer-songwriter and clown who blends acoustic music with theater to create an experience which is both traditional and cutting edge. Using music, mime, circus skills, storytelling and humor, he creates a style that is emotionally evocative, innovative and personal.

RICK ADAM has been performing, teaching, and inspiring people of all ages for over 20 years. He has combined his extensive theatrical and musical experience and training with his own life experience to create original theatrical performances that both educate and entertain. Adam has toured widely, from elementary schools to colleges to maximum security prisons, from Rhode Island to Russia. He has acted with the Trinity Square Repertory Company and has appeared in films and on television. He was recently featured on a PBS special on one-man bands in America, which is now in the permanent collection of the Smithsonian Institute.
