Contemporary Singer-Songwriter

Adam is a contemporary singer-songwriter recognized for his "illustrated compositions" for voice and guitar. His music blends acoustic music and digital technology with theater to create a sound that is both traditional and cutting edge. He expands the musical repertoire using acting, mime, circus skills, and movement to create a style that is emotionally evocative, innovative, and personal.

Adam's music has been featured on stage, television, radio and film. He has shared venues with Garth Brooks, Livingston Taylor and Phish... to name a few. Also, ***Adam*** recently performed at Bruce Springsteen's Birthday Celebration.

RICK ADAM has been performing, teaching, and inspiring people of all ages for over 20 years. He has combined his extensive theatrical and musical experience and training with his own life experience to create original theatrical performances that both educate and entertain. Adam has toured widely, from elementary schools to colleges to maximum security prisons, from Rhode Island to Russia. He has acted with the Trinity Square Repertory Company and has appeared in films and on television. He was recently featured on a PBS special on one-man bands in America, which is now in the permanent collection of the Smithsonian Institute.
